Dear Camilla:

I've just had an opportunity to consider your letter of March 3rd, and after consultation with our Program Department, we find that we can schedule you from nine to one, Friday evening, April 9th, as you requested.

We are willing to receive as many of you as you want to send. We can get you accomodations here through the Student Rooming Agency, if you want to stay overnight. Last year, as I remember, your delegation returned after the show. It might be easier for all concerned, and less expensive for you to do this. However, if you want to stay, it can easily be arranged. As for cars, if you cannot provide them, I'm sure we can get you some chauffeurs.

I would suggest a Lonesome Gal, and a live show with piano as a starter. The rest is up to you.

We're all looking forward to seeing you, and I hope as many of you as possible can come down here.

Sincerely,

Jim
